

# **CSA E-CIGARETTE POLICY**

*APPROVED BY THE GOVERNING BOARD AT THE SEPTEMBER 10, 2015 BOARD MEETING*

In accordance with SB 97, Chaparral Star Academy prohibits possessing, smoking or using electronic or e-cigarettes at a school-related or school-sanctioned activity on or off school property.

E-cigarettes are defined as any device that simulates smoking by using a mechanical heating element, battery, or electronic circuit to deliver nicotine or other substances to the individual inhaling from the device.

Given that SB 97 also prohibits the possession, purchase, consumption or acceptance of e-cigarettes by an individual under the age of 18, school penalties will follow tobacco-related procedures as prescribed in the student code of conduct.
