

Assignments

The Assignments page allows you to view all of the student's assignments for all courses or for a specific course. You can view all assignments, only assignments that have been graded, or only pending assignments (assigned but not yet graded).

How to View Assignments

Click **Assignments** on the menu at the top of any page. The Assignments page is displayed for the student currently selected.

The screenshot shows the 'Connect' interface for the 'Assignments' page. At the top, there is a navigation bar with tabs for Summary, Attendance, Grades, Assignments (selected), Discipline, Alerts, My Account, and Logout. On the left, a sidebar lists students: AUSTIN R. ADAMS, SEAN P. BLANCHARD, SNOOPY BROWN, DEMARCUS S. BUSSEY, BRANDON K. CAVAZOS, and AARON D. CHAPMAN. The main content area is titled 'Assignments' and includes a sub-header 'for: AUSTIN R. ADAMS at Lakeview High School on 2/2/2011 11:26:36 AM'. Below this, there are search filters: 'Course' (set to 'All'), 'Cycle' (set to 'All'), and 'View' (with radio buttons for 'All Assignments' (selected), 'Only Graded Assignments', and 'Only Pending Assignments'). There is also a 'View only assignments due before:' field with a calendar icon. A 'Find Assignments' button is located below the filters. At the bottom, a table header shows columns for 'Course', 'Assignment', 'Category', 'Due Date', and 'Grade'. The table body is empty, displaying 'No Selected Assignments'. A 'Help' button is in the top right corner, and 'Available languages: English Español' is at the bottom right.

1. In the **Course** field, select a specific course. You can select All to view assignments for all courses.
2. In the **Cycle** field, select the cycle. You can select All to view assignments for all cycles.
3. For **View**, select the assignments you want to view.
 - **All Assignments** displays all assignments.
 - **Only Graded Assignments** displays only assignments that have been graded.
 - **Only Pending Assignments** displays only assignments that have been assigned but not yet graded.
4. In the **View only assignments due before** field, enter a date if you want to view only assignments that were due before that date. For example, you can enter today's date to see all assignments that were due up to today. You can also click  to select a date from the calendar. This field is optional. If a date is not entered, all assignments are included in the search.

Note: If a date is entered in the field and the teacher has not entered a due date for an assignment, the assignment is not displayed in the search results.
5. Click **Find Assignments**. All assignments that match the criteria entered are displayed in the table at the bottom of the page.
 - If an assignment grade has been dropped, the message “dropped” is displayed next to the grade. A dropped grade does not count in the average.

- If an assignment grade has been excluded, the message “excluded” is displayed in place of the grade. An excluded grade does not count in the average.
- If an assignment is missing, the message “missing” is displayed in place of the grade. A missing grade counts as a zero in the average.
- If an assignment is incomplete, the message “incomplete” is displayed in place of the grade. The average is not calculated.
- If the course uses skills-referenced grading, assignments are associated with specific skills. For these courses, the **Skill Scores** heading is displayed in the table. For each assignment, all associated skills and grades are displayed. Note that assignments may have multiple skills. Also, an assignment may be associated with more than one skill, so you may see the same skill for multiple assignments. The grade for the course is calculated from the scores for the skills, not the assignments.

6. In the Assignments table, click **Course** to sort the assignments by course, or click **Due Date** to sort the assignments by due date.

The screenshot shows the 'Assignments' page in the Connect LMS. The page is for student AUSTIN R. ADAMS at Lakeview High School. It features a sidebar with a list of students and a main content area with search filters and a table of assignments.

Search Filters:

- Course: All
- Cycle: All
- View: All Assignments, Only Graded Assignments, Only Pending Assignments
- View only assignments due before: [calendar icon]
- Find Assignments button

Assignments Table:
