

Supplies

* All student should be prepared with appropriate writing supplies (pens, writing paper) and material (general expectation).

* Black fine point pens are recommended (not required) for students enrolled in the Graphic Design and Illustration, and the Principles of Art, Audio/Video, Technology and Communication classes (for sketching and illustrating). A USB flash drive (2-4GB) is also recommended (not required) for students enrolled in the Graphic Design and Illustration, and the Principles of Art, Audio/Video Technology and Communication (PAA/VTC), Principles of Information Technology (P.I.T.), and Computer Science I courses (for easy/quick file transfer).

Donations

* Basic cleaning and sanitation supplies (to help keep keyboards and other peripherals clean) would be greatly appreciated!

* Black fine tips pens (for sketching and illustrating) would also be greatly appreciated!
