

***Applicability of Title Relating to Extracurricular Activities***

An open-enrollment charter school is subject to a prohibition, restriction, or requirement, as applicable, imposed by Title 2 (Public Education) of the Texas Education Code, or a rule adopted under Title 2 (Public Education) of the Texas Education Code, relating to extracurricular activities under TEC §33.081 (Extracurricular Activities). (TEC §12.104(b)(2)(I))

Chaparral Star Academy Open-Enrollment Charter School adopts the requirements of TEC §33.081 (Extracurricular Activities) pursuant to TEC §12.104(b)(2)(I). Where "school" is used in TEC §33.081, Chaparral Star Academy Open-Enrollment Charter School hereby substitutes "open-enrollment charter school" to conform to these requirements.

***No Pass, No Play***

The open-enrollment charter school shall comply with the "no pass, no play" rules as set forth in TEC §33.081 (Extracurricular Activities).

A student who participates in a University Interscholastic League (UIL) competition will be suspended from participation in any extracurricular activity sponsored or sanctioned by the University Interscholastic League after a grade evaluation period in which the student received a grade lower than the equivalent of 70 on a scale of 100 in any academic class other than a course described by TEC §33.081(d-1). (TEC §33.081(c))

A suspension continues for at least three school weeks and is not removed during the school year until the conditions of TEC §33.081(d) are met. A suspension does not last beyond the end of a school year. For purposes of TEC §33.081(c), "grade evaluation period" means:

## **CHAPARRAL STAR ACADEMY**

County School No.: **227814**

- (1) the six-week grade reporting period; or
  - (2) the first six weeks of a semester and each grade reporting period thereafter, in the case of a school or charter school with a grade reporting period longer than six weeks.
- (TEC §33.081(c))

For students with a disability under the Individuals with Disabilities Education Act (IDEA), if the disability significantly interferes with the student's ability to meet regular academic standards, suspension must be based on the student's failure to meet the requirements of the student's individualized education program (IEP). The determination of whether a disability significantly interferes with a student's ability to meet regular academic standards must be made by the student's admission, review, and dismissal (ARD) committee. (TEC §33.081(e))

### ***Participation of Charter School in UIL Activities***

If the open-enrollment charter school chooses to participate in UIL activities, the open-enrollment charter school shall comply with UIL rules. (Subchapter D (Membership in League), Section 11 (Admission to Membership), UIL Constitution and Contest Rules)
